Re : **Notification to Decommissioning of Base Transceiver Station (BTS) at State of Perak**

Dear All Valued Dealers and Resellers,

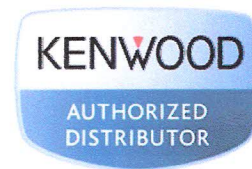

Mal-Tel Communication Sdn Bhd, as public trunked radio service provider in Malaysia, notifies the current users and business partners of public trunked radio of upcoming work to decommission of Base Transceiver Station (BTS) namely Gunung Chnagkat Rembian, Bukit Kledang and Grand Court Hotel which is located in the Perak State of Malaysia.

The decommissioning is schedule to commence start from April 2019 and schedule to finish decommissioning by end of April 2019.

With the decommissioning, current public trunked radio users will experience coverage and communication disruption. Hence, it is advisable that our business partners to speak to your existing customers by proposing them with other alternatives and solutions available in the market.

Should you need further clarification or inquiries on this matter, do feel free to contact myself Kenny Goh @ +6019-390 8029 or email at kenny.goh@mal-tel.com.

Thank you.

Yours faithfully,
Mal-Tel Communication Sdn Bhd
